Welcome to Shenzhen CCD CAM Technology Co.,Ltd .we are the fastest growing manufacturer & exporter specializing in versatile security cameras for home and commercial uses. Since 2005 we began to focus on IR camera research and design. With great determination and confidence, we have taken a aggressive market presence in ir day/night camera market.Now we specializing in IP camera, megapixel camera, NVR and video management platform.

1080P/2.0MP Real Time IP Camera

1/3"OmniV. 1/2.8"CMOS image sensor
 Support two-way audio dialogue, RS485 interface,
 Support RS485 to 300M, 120m or 500M, 100M
 2MP (1080P) optional 2.8-12mm 42 individual lens.

2.8-12mm 42 optical zoom lens, focusing and zoom of the IP camera
 can be remotely controlled via PC or computer.
 The defocusing problem can be easily solved, no need disassemble
 the camera or changing the camera lens to adjust the lens.

EC-2004F
 IP Waterproof IR Camera
 4.3x720px IR LED,
 60m IR Distance
 With 3 Axis Bracket
 Weather Resistance, IP66
 Cable Built-in Bracket

EC-2001F
 IP High Speed Dome IR Camera
 Continuous 360°pan rotation,
 30pcs IR led, 25m IR distance,
 10° IR Lining (160°FOV) lens
 Remote IR Speed Control, 2.8-12mm,
 Variable 42 optical zoom lens, 4207 lens,
 254 pixels, 9 IR cut routes

EC-2002F
 IP Waterproof IR Camera
 5.1x720px IR LED,
 80m IR Distance,
 New Design for Housing
