<http://m.cens.com/s/wellway>

Founded in 1992, Wellway Industrial is known as a specialized maker of large and mid-sized door and furniture handles, among others. After over 20 years of steady development, we now have a plant occupying 12,000 square-meters, with a team of seasoned technicians to provide all-round service including R&D, mold making, die-casting, electroplating etc.
