A have been the leading manufacturer and exporter for rainwear and plastic general merchandise for over 40 years since founded by Franz Chen in 1972 in Taipei, Taiwan. Since then, we have also incorporated garments and fabrics, two additional categories into our product lines. Nowadays, we have two company-owned factories; one in Thailand with 750 people and the other in China with 2,000 people, one in Canton, the other two in Henan, all making top-notch outwear garments; besides, there are more than 10 partnered factories manufacturing the above-mentioned items, located in China.
