(Tai Yung Zen Industrial Co., Ltd.) was founded in 1990. Since incorporation, the company has operated with the conviction of a realistic, diligent and practical spirit as well as the philosophy of meeting challenges and pursuing the root. A variety of metallic materials is employed in our automatic production, including stainless steel, aluminum alloy, titanium alloy, alloy steel and pig iron, etc. In aspect of material molding, we erected a professional-based cold forging plant, thermal forging plant, aluminum forging plant, aluminum extrusion plant and casting plant.
