AUDIOVITA.COM is you total audio solution for Cellular headsets, Computer audio headsets and MP3 Stereo ear buds.

Our company originated in 1997 providing superior Tele-communication products to the United States , Latin America and Europe . At this time we were known by the company name of Multi-Direction mainly providing Mobile Handsfree headset products. For over eight years Multi Direction stood for quality products and great service second to no one else in the Handsfree Tele - communication business.
