*Established under the name "Tung Chih Soy Sauce Factory," we started up as an authentic and traditional maker of fermented bean curds and salted/fermented black beans in 1943. Later, we focused on soy sauce development, offering a series of black soy sauces and soy-sauce pickles. In 1989, we moved to Tatu Township, Taichung County, Taiwan and renamed the firm "Master Sauce Co., Ltd." Backed by advanced automated production equipment,*
