<http://m.cens.com/s/tai-ching>

Founded in 1980, TAI-CHING Machinery Hardware Co., Ltd. started as a small hardware retailer. In 1990, Mr. Feng-chung LIU, company's founder and inventor, decided to shift its business focus into bar clamp manufacture. TAI-CHING spent the last twelve years to become a clamp specialist. TAI-CHING specializes in designed and making a wild variety ... [more]
