Fax: 886-4-2515-9774
<http://m.cens.com/s/meklin>

Since our establishment in 1989, we have been committed to honesty and sustainability while consistently improving technology to fully satisfy customers. Originally specializing in painting materials, we diversified into foam, epoxy, machine assembly, PU, dual-color plastics, and renamed ourselves Meklin Co., Ltd. We focus on PU products which are widely applicable, and offer in-house integrated production, including offering equipment, tooling, sourcing, processing.....
