Power-Win, established in 1989, is a well founded power supply manufacturer located in Taipei, Taiwan. Having first started with the PC power supply business, Power-Win has extended its product lines to include AC / DC switching adapters , open frame power supplies, DC / DC ATX converters and medical power supplies. Backed by strong, in-house R & D capabilities, Power-Win not only leads market trends by developing its own product lines, but also works with customers on OEM / ODM projects.

Switching Power Supply (Open Frame Power Supply, 150W, Single Output)

Switching Power Supply (65W, Single Output)

Medical Power Supply (500W, Single Output, U-channel and Enclosed type)
