The technologies of avulsing, coating, sticking, winding and cutting are Chensin's crucial power. Chensin can fulfill the customers' customization by our high quality, class, lead time and cost, which are the most valuable. Chensin was founded at August 8, 1990, when Chensin professionally manufactured non-woven double side tape, foams tape and all kinds of tapes (plastically leather, leather, non-woven cloth, PET) for coating, sticking, winding and cutting.
