*Ching-Hung Machinery & Electric Industrial Co., Ltd., established in 1975, is one of Taiwan's largest manufacturers of a wide range of EDMs and wire-cut machines. The company is famed for its own brands of 'CHMER' and 'GENSPARK' in the world EDM arena. Ching-Hung has been dedicated to developing advanced manufacturing technology for high-quality and reliable EDMs. Over the past decades, the company has concentrated on developing CNC (computerized numerically controlled) EDMs.*
