Fax: 886-7-651-6784

<http://m.cens.com/s/sanhekiln>

*Set up in 1918, San He Kiln Culture & Art Co., Ltd. (San He Pottery Kiln) has experienced the ups-and-downs of Taiwan's brick and tile industry for nearly a century. Still using the complex and time-consuming process of traditional kiln firing, we are one of few in Taiwan that still produces building materials.*
