<http://m.cens.com/s/zhenghe>

Founded in 1989, Zhenghe Enterprise Co., Ltd. specializes in manufacturing die-cast products including gardening shears and scissors. In 2011, we installed assembly lines to cope with expanded production to better meet customer demand with in-house production except tooling and plastic injection molding. In 2012, we set up a 7,200-square-foot a ... [more]
