JimmyBear push bike, balance bike, kid's wooden bike, run bike, wooden bike

# AT QIMEGA CO.,LTD

Tel: 886-4-23353552

Fax: 886-4-23353947

<http://m.cens.com/s/atqimega>

*With own woodenware plant that used to be a subcontractor, At Qimega now focuses on developing balance bikes/push bikes for 3-6 year-olds under the "At Qimega" brand. Being structure-patented and Europe EN-71-certified, our height-adjustable balance bikes are of Russia-imported, durable birch plywood, with flexible, anti-slip seat, elastic rubber grips, and EVA foam tires.*
