*Sheng Yuan has been dedicated to manufacturing and technical service for over 40 years under the company's policy of 'Sincerity, Service, Responsibility and Innovation - Sheng Yuan'. To meet globalization trends and business operational evolution, Sheng Yuan has set up the Precede Machinery Company for serving the CNC machine tool manufacturers. At Precede, we will do our best to manufacture and offer the highest quality of products for our customers. Moreover, with the expanded supply chain and service system, we can work together with our customers to create win-win solutions.*
