<http://m.cens.com/s/yelmi>

*Established in 1978, Yelmi Industrial Work was mostly engaged in producing furniture caster in the initial stage. We did business in the U.S., Japan, Europe and Southeast Asia etc with 30 employees and 300000 pcs monthly output capacity. In 1983, we developed diversified casters for various kinds of industrial carts, barrows, shopping carts etc.*
