<http://m.cens.com/s/yuhshin>

Founded in 1982 with a 200sq.m. factory, YUH SHIN supplies mainly oil-immersed transformers to civil engineering contractors, factories etc. for electromechanical applications. Over the years we've also developed the 1- & 3-phase transformers for various welders and electroplating devices that were patented in Taiwan and China in 2001 and soon ... [more]

Oil-immersed Transformer / AC Pressure-resistant Voltage Tester

Oil-immersed Transformer / Oil-immersed Transformer for AC

Oil-immersed Transformer / Oil-immersed High-low Voltage
