

Taiwan Excellence 2013 design & innovative award

In 2012, the new omni-directional antenna and 3D creator both won the Taiwan Excellence Award.

In 2013, d&i award is organized by well-known iF design, Germany. With over 250 entries from several different countries at this year's COMPUTEX, PX Eco HD antenna & wireless display receiver are proud to add this award to our company's profile.
