Above exemplary in its first 16 years, few would have guessed to what heights Powagrip Industrial Co. Ltd. and its trademark ACT would rise. Since its conception in 1996 Powagrip has become a leading global manufacturer, marketer and distributor, and ACT, under its vice, molded into a globally recognized symbol of power, precision and fortitude. Quality does not ring true enough for these professional hand tools and auto repair equipment forged in the bowels of Powagrip.
