*Year 1973 Company established( called as Tai Sung Co.)*

*There were 12 employees at the beginning stage. Tai Sung is the first professional manufacturer of wiper moter in Taiwam. At the same time, we imported auto parts from japan original, e.g., NIPPON DENSO and JIDECO, etc..*

*Year 1985 In order to meet market demand, we started to produce radiator motor, air condition motor and blower motor. The sales had begun to deal with domestic dealers and we enjoyed 50% marketing share in Taiwan.*
