As an electroplated/coated stainless-steel basket & container manufacturer, we use advanced technology to offer quality products. Adhering to the motto "Innovation in Taiwan, Sustainable Business, and Human Management," we offer innovative products at competitive prices by efficiently lowering production cost. Currently, our main products include toilet brush stands, paper towel baskets, garbage/trash cans, umbrella stands, K/D laundry baskets, and many other electroplated/coated stainless-steel products. After receiving an order, we work with mold/die developers to promptly offer well-organized mold-development and repair services. Our goal is to establish solid reputation by offering superior items at the most competitive prices.
