Founded in 1994, Tai Yao Electric Corp. Ltd. Specializes in manufacturing metallized polyester film capacitors, and has become a high-quality capacitor supplier with advanced production technologies, automated production equipment, and stringent quality control systems. Confronted with feverish competition for market share in the new era.

MEC MAP Metallized Polyester Film Capacitor (Encased)

MEFI Metallized Polyester Film Capacitor (Coating)

PPN Polypropylene Film Foil Capacitor (Noninductive)
