FAX:886-4-2562-0520
<http://m.cens.com/s/jasans>

Founded in 1991, we started business in Taichung, central Taiwan as a wooden furniture production organizer then a seller, repairer of woodworking machinery and provider of designer/set-up services for hardware/software control systems of CNC machinery. Providing wide-angle services and prioritizing customers have enabled us to establish long-term ... [more]
