At Amoeba Bicycle, we are in the business of merely making bicycle parts. More than that, we are committed to creating the best bicycle parts, components and accessories ever to exist on the planet. It is not only we have the best engineers and technicians team but also we use the latest manufacturing technology. We take pride in what we do. We believe in excellence and quality. We believe in maintaining a high standard. We believe that every single item our factory should make life easier and more fun for cyclists.
