<http://m.cens.com/s/jawchian>

Established in 1995, we have evolved into a specialist ratchet wrench maker, offering versatile ratchet wrenches and OEM/ODM services. Being loyal to our motto—reliability, innovation, and quality service—we keep working on product innovation. Buyers who know about the superiority of fully made-in-Taiwan wrenches and wish further information from a veteran maker are invited to contact Jaw Chian, for we are the best! ...
