

LANTAC

TECHTRONICS CO., LTD.

Tel: 886-2-28091533
 Fax: 886-2-28091306
<http://m.cens.com/s/lantac>

The main purposes of building LANNET are the marketing sale of wireless product and positively involve us into the R&D of wireless remote control technologies and related products.

LANNET is an affiliated company of LANTAC with independent operating entity; yet, LANNET has inherited the "Quality First" and "Service in Priority" sustainable operation style unchanged.
